SIR

SUBJECT

Regarding the site for the construction of a building for the Girls' Middle -- School, Tiptur

With reference to your letter No L 3424 M1 42-36 dated 7th November 1936, stating that the acquisition of a private property towards the construction of a building for the Girls Middle School at Tiptur, has been sanctioned in Government Order No 8863-5/M1 41-35-45 dated 20th May 1936, the cost of Rs 2,643-14-0 being met from the Municipal Funds and requesting to be informed as to why the Municipal Council should meet this expenditure, I have the honour to state that the Middle School in question is now located in a rented building -- which is not suited for the purposes of a school and as such it is proposed to construct a suitable building in a better locality A provision of Rs 5,000/- has also been made in the Education Budget, during the current year, for the construction of a building at an estimated -- cost of Rs 7,450/- As no suitable sites belonging to Government or to the Municipality were available, the Municipal Council have decided as per resolution dated 25th November 1935 that the private property in -- question might be arranged to be acquired at the cost of the Municipality and handed over to the Department, free of cost, in the interest of Education of girls in this town

P T O

A number of Middle Schools in the State are located in private buildings which are quite unsuited for holding schools and as such the health of the school-going children has suffered very much Owing to the unfavourable financial conditions now prevailing it is not possible for the Department to provide Government buildings for all those schools In spite of the present restricted budget of the Department, the construction of a Government Building for this Middle School has been proposed to be undertaken this year, since the Municipality have generously come forward with the offer of a free site

In the above circumstances and in the interest of - Education of Girls of Siptur Town, I recommend that Government may be pleased to sanction that the cost of the site in question may be met from the Municipal Funds

The file of this office relating to the subject -- (No B2 1956-130 of 35-36) is sent herewith, as requested, for kind perusal and return

I have the honour to be,

Sir,

Your most obedient servant
